

JOHN LOUIE B. GONZALES

COMPUTER ENGINEERING STUDENT

09615811403

gonzales.louie12301@gmail.com

The Silk Residences, Sta. Mesa,
Manila

PROFILE

Highly motivated and detail-oriented Computer Engineering student with a major in Networking, seeking an internship position to apply technical skills and theoretical knowledge in real-world networking environments. Eager to contribute to a dynamic team while gaining hands-on experience in network design, implementation, and management.

SKILLS

- Knowledgeable in MS Office
- Good communication skills
- Good team player
- Attention to detail
- Basic knowledge in Cisco networking, Network fundamentals and Network security
- Basic knowledge in Autocad

EDUCATION

Polytechnic University of the Philippines

Bachelor of Science in Computer Engineering, 2021-Present

- Last Semester GPA: 1.93

ESCUELA DE SOPHIA OF CALOOCAN INC. - CALOOCAN CITY

2020

- Academic Track – Accountancy, Business, and Management

EXPERIENCE

Intern

Jae Hub Web Services

July 2023 - Oct 2023

- Assisted in the design and development of embedded system for real-time applications.
- Conducted testing and debugging of hardware and software components.
- Provided technical support to end-users, addressing network-related issues.
- Assisted in the documentation of network configurations, topologies, and standard operating procedures.
- Collaborated with the network team to configure routers, switches and firewall, optimizing network security and performance.
- Assisted in design, implementation, and maintenance of network infrastructure, including LAN, WAN, and VPN.
